

*Pikes Peak Regional Hospital
Specialty Services Welcomes*

Pikes Peak ENT

PPRH Specialty Services is happy to announce the addition of Pikes Peak ENT to the expanding list of specialty services provided for the residents of Teller County and the region.

Pikes Peak ENT provides both medical and surgical management of disorders of the ears, nose and throat. These Board-Certified physicians perform a full range of ENT procedures on both children and adults including:

Ear Surgery
Sinus Surgery
Head & Neck Surgery
Sleep Disorders
Reconstructive Facial Plastic Surgery

Pikes Peak ENT is committed to delivering comprehensive, patient-centered evaluation and treatment for all ENT problems. Children and adults alike will be examined with the utmost attention to detail and treated with compassion and concern.
